

Question 688) - What is Hady?

A: It is the animal slaughtered in Hajj and 'Umrah. Either the Muhsir slaughters it for release from Ihram, or the Mutamatti' or the Qarin slaughters it out of gratitude to Allaah for allowing the Hajj and 'Umrah to be joined. It is also slaughtered as compensation for violating the Ihram or omitting a Wajib of Hajj or 'Umrah. It may also be voluntarily slaughtered.
