

For the Imaam to Take Support when Proceeding for Sajdah

Q: Salaah-739: Because of severe pain in his leg, our Imaam uses his hand to take support from the ground when proceeding into Sajdah. Can he continue being the Imaam?

Answer: Because your Imaam has a valid reason for doing this. It will not be Makrooh for him to do so. Such an act is Makrooh only when done without a valid reason. And Allaah knows best what is most correct.
