

Placing the Bier in the Courtyard of the Masjid

Q: Janaa'iz-70: There is an area in the corner of our Masjid that is designated for performing the Janaazah salaah, However, the bier is taken to the courtyard of the Masjid when the Fardh salaah has to take place. Is there any harm in doing this?

Answer: It is forbidden and Makrooh to bring a deceased person into the Masjid when it is not urgent because of the fear of soiling the Masjid.
