

Monies Collected for Iftaar

Q: Saum-37: Monies are received from outside the country for Iftaar to be fed in the Masjid. Is it necessary to use the money to cook food to be served in the Masjid or can the money be used to distribute meat and bread to the people of the town? By distributing to the houses, every home receives an equal share, whereas the shares are not equal when only the men in the Masjid are taken into consideration. Please clarify.

Answer: When monies are sent to feed Iftaar in the Masjid, it is to be used to Feed the Musallis of the Masjid. permission from the donors is necessary for the meat and bread to be distributed to the homes. And Allaah knows best what is most correct.
