Mulla Ali al-Qari Rahimahullah indicates in Mirqat al-Mafatih that there are various narrations regarding the descending of Isa Alaihissalam.? In some it is mentioned that Isa Alaihissalam will descend in Bait al-Maqdis (Masjid al-Aqsa), while in another narration it is mentioned that he will descend in Eastern Dimishq.? And yet another narration states that he will descend in Jordan.? The preferred view is Bait al-Maqdis.
