Question

1. Is it permissible for a sunni man to marry a ahmadi woman still?if she is unwilling to be a sunni.

Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatuh

1) Ahmadi?s (commonly known as Qadiyani?s) follow Ahmed Qadiyani who had strange believes which render him as out of the fold of Islam. Some of his believes are:

1) He claimed prophet hood.

2) He claimed to receive *wahy*.

3) He claimed that the previous divine scriptures predicted of his prophet hood.

4) He claimed having a miracle greater then that of Nabi Nooh (alayhi salam).

5) He use be mock and belittle previous Anbiya(alayhimus salam).

6) He use to swear at Nabi Isa ?(alayhi salam).

7) He claimed Sayyidatuna Aisha ??? ????? committed adultery.

These are just some of their believes which render him and his follows out of the fold of Islam.
Therefore, it is not permissible to marry an Ahmedi.

And Allah knows best
