Q: 193 ? Title: I have been heard that, some days in hijri calendar are "Nahs". Please let me know what "Nahs". Wahabis are telling that In Islam there is nothing like Nahs. All days are good.

Question

Asslamu Alaikum, I have been heard that, some days in hijri calendar are "Nahs". Please let me know what "Nahs". Wahabis are telling that In Islam there is nothing like Nahs. All days are good. Please clarify me why some particular day is considered as nahs and what all things cant be done on that day. With request for Dua for me, my parents, siblings and my friends, Raees Umer

Answer

**In the name of Allah, Most Gracious, Most Merciful**

**Assalaamu `alaykum waRahmatullahi Wabarakatuh**

?Nahs?, mean unfortunate or unlucky. Some people believe that there are certain days of ?bad luck? in a year. However, this is a misconception which has no basis in Islam. There is no such

thing as 'bad luck' or 'evil omen'. Each day of the calendar is filled with its own blessing and fortune.

Consider the following Ahadith:

Rasulullah ﷺ said, 'There is no evil omen.' (*Ibni Maja p143 Qadeemi*)

Rasulullah ﷺ also said, 'There is no contagion; nor evil omen nor taking ill omen from a bird nor bad luck (or misfortune) in the month of Safar.' (

*Bukhari p22 vol.7 Darul Fikr*
