

Q: 92 – Title: I have a illness which i have had from birth it is cystic fibrosis and i have to take lots of medicen and nebs everyday, and i just wanted to no about ramadam how do i go about it...

#### Question

I have a illness which i have had from birth it is cystic fibrosis and i have to take lots of medicen and nebs everyday, and i just wanted to no about ramadam how do i go about it am i not to do it because of my medicen or is their a way for people that are ill. i have to take my tablets and nebs to stay alive. shucran bacalaughphe . ramadam mubarak.

#### Answer

**In the name of Allah, Most Gracious, Most Merciful**

**Assalaamu `alaykum waRahmatullahi Wabarakatuh**

It is permissible for you to not fast and continue taking your tablets. Instead, for each fast, you will have to donate 1.6 kilograms of wheat or its value to the poor.
