Question

My husband and i sinned ,we had a sexual intercourse while fasting in ramadan after the dawn.please guide us and tell us what we can do to have Allah forgiveness.

Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatuh

If you forgetfully had sexual intercourse during the time of fasting, then your fast will not break nor would it require any *qad?'* or *kaff?rah*. However, if this was done intentionally, then the fast will break and will necessitate, both, *qad?'* and *kaff?rah*.

Therefore, in addition to making up this fast after Ramadan (*qad?'*), you will need to fast for two consecutive lunar months or sixty days as *kaff?rah*.

If you start the first fast of your *kaff?rah* on the first of the lunar month, then you will fast for two consecutive lunar months, regardless of whether they are of twenty-nine or thirty days. However, if you start the fast on any other day besides the first of the month, then you will fast sixty consecutive days.
