Assalaamu `alaykum waRahmatullahi Wabarakatuh

It is not necessary to get married before performing Hajj. You should convey this answer to the people who you heard say to the contrary.

The Prophet ﷺ has encouraged us to rush towards Hajj and not delay it when it becomes compulsory on us [i]. In fact, as a severe warning to those who unnecessarily delay their Hajj, the Prophet ﷺ mentioned that, if they wish, they may die as a Jew or a Christian [ii]. This does not mean that the Prophet ﷺ gave such a person an option to die as one of the two. Rather, it is a form of speech to show extreme displeasure and a stern warning. From this, one should understand the severity of unnecessarily delaying his/her Hajj.
