

Salaah in an Aeroplane

Q: Salaah-337: A person going for Hajj performed his Asr and Maghrib salaahs in the aeroplane. It is true that the place where salaah is performed needs to be on the ground? Will his salaahs need to be repeated? Please explain.

Answer: Salaah should not be missed when on an aeroplane. It must be performed and then repeated after landing. And Allaah knows best what is most correct.
