

Q: Salaah-200: Only a few people remain behind in our Masjid after eight Rakaahs of the Taraaweesh salaah are performed in Jamaa'ah. Will there therefore be any harm in us going to another Masjid to perform the Taraaweesh salaah?

Answer: Because it is necessary to perform twenty Rakaahs Taraaweesh salaah in the local Masjid, you people should perform your Taraaweesh salaah there even though there remains only a few persons. If no Taraaweesh salaah takes place in your Masjid, everyone on the area will be sinful.
