

A Person Leading the Taraaweesh salaah when he has Shaved his Beard

Q: Salaah-207: What is the ruling regarding performing the Taraaweesh salaah behind a Haafidh who shaves his beard?

Answer: Shaving the beard is Haraam and the person shaving off his beard is regarded to be Faasiq (open sinner) in terms of the Shari'ah. it will therefore not be permissible to appoint him as the Imaam and performing the Taraaweesh salaah behind him is Makrooh Tahreemi.
