

Question 321) - Is there an extra Salah in the month of Ramadan besides the Fard and usual Sunan?

A: Rasulullaah (S.A.W.) said, "He who keeps the fast of Ramadan with Iman and hoping for reward has his pass sins forgiven. He who stands in worship in Ramadan with Iman and hoping for reward has his passed sins forgiven." [al-Bukhari and Muslim] it is obvious from the Hadith that there is a Salah in the nights of Ramadan, over and above that which is prayed in the other nights.
