

Will the sons of Nephews and sons of Cousins Inherit?

Question: A deceased person left no wife, no children, no nephews and no nieces. Surviving him are only two sons and a daughter of his niece (brother's daughter) and seven sons of his cousin (father's brother's son). How will his estate be distributed?

Answer: The only heirs in the above situation will be the children of the cousin. The children of the niece will not inherit anything. And Allaah knows best what is most correct.
