

Talking while the Adhaan is Being called out

Q: Miss-9: it has become the habit of most people to engage in worldly talks while the Adhaan is being called out, let alone replying to it. what is the ruling of the shari'ah in this regard and what warnings are sounded against this?

Answer: The Ahadeeth and books of Fiqh sound grave warnings against this. Making this a habit indicates weak Imaan. Rasmul Mufti says that the Ulema unanimous state that no talks should take place during the Adhaan Rasulullaah SAW. stated there exists the fear of losing one's Imaan if one speaks during the Adhaan. And Allaah knows best what is most correct.
