

Following and Imaam who Makes Masah on a Bandage

Q: Salaah-591: A person needed to tie a bandage on a deep wound on his finger. Because it would be harmful to wash the area, he made Masah on the bandage. Can such a person be the Imaam?

Answer: If bandage is tied for a valid reason and the wound is not bleeding, it will be permissible for the person to be the Imaam after making Masah over the bandage. And Allaah knows best what is most correct.
