

Correcting the Imaam's Recitation

Q: Salaah-674: An Imaam made an error in his Qiraa'ah that nullifies the salaah but was corrected by one of he followers. Is the salaah valid?

Answer: When the Imaam corrects himself or is corrected by any of the followers, the Fatwa is issued to the effect that the salaah is valid. This is an exception on account of Umoom Balwa.
