

Should a Person Performing salaah Alone Start to recite Audibly when People start to Follow him

Q: Salaah-28: Because I was in a hurry to catch a train, I started to perform my Fajr salaah before the time of Jamaa'ah. I had just completed Surah. Faatiha when some people started to follow me in salaah. Must I now recite the Surah audibly after having already recited Surah Faatiha softly?

Answer: You must recite the Surah audibly if you are performing the salaah as an Imaam. And Allaah knows best what is most correct..
