

Question 205) - What should a man do who has begun his Sundaee before Zhuhr or Jumu'ah and the Jama'ah or Khutbah begins?

A: He makes Salam at the end of two Rak'at and then joins the Imam in Zhuhr or listens to the Khutbah as the case may be. (That has been narrated from Abu Yusuf. It is also said that he should complete it. ~al-Hidayoh~. Ibn Humam says in Facial Qadir that completing Salam upon two Rakat is better because he can complete it after the Fard and the two Rak'at are not null by making the Salam. He thus neither omits the Fard of listening nor misses his Salah without excuse.)
