

Question 208) - Someone missed Fajr and intends to pray it after sunrise. Should he pray the Sunnah as well or is the Fard sufficient?

A: He should pray the Sunnah as subsidiary to the Fard if he fulfills it before Zawal. If after Zawal then he should only pray the Fard.

(Al-Hidayah states that there is a difference amongst the Mashaikh regarding after Zawal.

Al-Inaayah states: Some Mashaikh say that it should be read even then as a subsidiary to Fajr not as an aim in itself. Others say it should not be read at all. Al-Kafiyah quotes from al-Muhit that the Sunnah is not read after Zawal if left with the Fard. It does not mention any difference of opinion.)
