

Q: Salaah-190: As the Imaam started the Witr salaah, the Musalli followed Him thinking that it was the Taraaweesh salaah. Will the Musalli's Witr salaah be valid?

Answer: In the stated case, the Musalli should stand up after the Imaam Makes Salaam and add a fourth Rakaah to make his salaah one of four Rakaahs. This four Rakaahs will then be regarded as Nafl salaah and he will still have to perform the Witr salaah.
