

Making the Intention of Taraaweesh salaah while performing the Witr salaah

Q: Salaah-195: I forgot to perform the last two Rakaahs of the Taraaweesh Salaah and started the Witr salaah. I then realised the error only while sitting in the Witr salaah (in the first sitting). What will be the ruling if I now change the intention to Taraaweesh salaah and make Salaam after two Rakaahs?

Answer: These two Rakaahs will not be regarded as part of the Taraaweesh salaah.
