Question 565) - What does he do after pelting the 3 Jimar on these two days?

A: He may either leave for Makkah or stay at Mina and pelt on the 13th as well. Allaah says, "He who hastens for the two days only there is no sin on him. He who tarries beyond that, there is no sin on him - for those who have Taqwa." However, if the sun sets on the 12th and he is still at Mina, it is Makruh for him to leave Mina before pelting on the 13th. lf he is at Mina when true dawn arises on the 13th , then the pelting of that day becomes Wajib.
