

Question 1584) - Does the divorce occur if he attributes the divorce to her body parts?

A: The divorce occurs if he attributes it to in her entirety or that which indicates her entirety, e.g. "You are divorced/ Your neck is divorced/ Your soul is divorced/ Your body is divorced/ your physique is divorced/ Your vagina is divorced/ Your face is divorced." Divorce does not occur with, "Your hand is divorced/ your leg is divorced," because hands and legs do not symbolise the entirety.
