

She says, "Grant me Khul' in exchange for whatever Darahim is in my hand." He accepts and learns there

Question 1623) - She says, "Grant me Khul' in exchange for whatever Darahim is in my hand."
He accepts and learns there is nothing in her hand. What does she owe?

A: She owes three Darahim.*

* Because she used the plural term and the smallest plural [in 'Arabic] is 3.
