

The Virtue of Engaging in Intercourse on Fridays

Q: Salaah-280: Is it better to engage in sexual intercourse with one's wife on Fridays? What is the proof for this?

Answer: The proof for it is a Hadith in which Rasulullaah SAW. states the Virtue of taking a bath on Fridays and for making another take a bath, referring to intercourse with one's wife (which will make her take a bath). Amongst the benefits of this is that it promotes lowering of the gazes, chastity and concentration in salaah because one is saved from evil thoughts.² And Allaah knows best what is most correct.
