Question 19) - Through what are al-Hadath al-Akbar and al-Hadath al-Asghar removed?

A: Purification from the two Hadaths are permissible by means of water from the sky, water of valleys, water of rivers, water of springs, and wells and sea water even if it is salty. Purification of the two Hadaths is permissible with water mixed with a pure substance and one of the qualities of the water changes e.g. flowing water mixed with sand, or water mixed with soap or saffron.
