

If a Healthy Person Sends Someone to perform the Haji Badal on his behalf?

Q: Hajj-28: A healthy person sent someone to perform the Hajj Badal on his behalf and then himself falls so ill that he is unable to perform Hajj until his death. Will the Hajj Badal suffice for him?

Answer: The Hajj Badal will not be taken into consideration because it was commissioned while he was well. It was necessary for him to make a bequest for someone to perform the Hajj Badal on his behalf. He will be sinful if he did not do this.
