Question

I want to know that if a lady have a miscarriage within the 1st 2 minths , will it still be consided that this baby will make suplications to allah for that , and inshallah will try to take the perents to janna.if the perents have saboor

Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatuh

A miscarried foetus will intercede on behalf of his/her parents on the day of *Qiyamah* and in fact take them into *jannat*

.

Rasulullah(sallallaahu alayhi wa sallam) has mentioned:

?Verily a miscarried foetus will persist in interceding on behalf of its parents that are in the fire until it would be said: O the miscarried foetus that is persisting to its *Rabb*, wake up for verily I have entered your parents into *jannat*.

The foetus will pull the parents with its umbilical cord until they enter

jannat?

(Ibn Majah, Kitaab Al-Janaaiz, vol 1, pg 513, Ihyaa Al-Kutub al-Arabiyya)

?Verily the miscarried foetus will pull its mother with its umbilical cord into *jannat* (Ibid)

?Verily the miscarried foetus will see a person anxiously waiting at the door of jannat. It will be told to the foetus: ?Enter jannat?! (It will reply: I will not enter) until my parents enter jannat?. (Majma? Al-Zawaaid, Kitaab Al-Janaaiz, vol 3, pg 10, Al-Qudsi)

And Allah knows best
