Question

In a qasidah burdah i recently went to they stood up in the middle for salaam to nabi Sallalawhualalayhiwasalaam Is this bidat and ?Is there anything wrong in holding gas so that one can hold on to wudhu due to laziness.

Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatuh

Respect and honour for Nabi **SAW** is in following his sunnah. Standing up whilst reciting durood or salam is foreign to the teachings of Islam. Therefore, it will be considered as an innovation. If one stands up with the belief that Nabi SAW is present, then this will be shirk.

It is undesirable to hold in gas in order to keep ones wudhu. It is also makrooh to perform salah whilst holding gas.

Nabi **SAW** said: Should I not inform you of such deeds by virtue of which Allah Ta'ala forgives sins and raises ones ranks? Sahaba

RDI replied Why not O messenger of Allah.

Nabi

SAW replied: These acts are: making complete wudhu in unfavourable conditions, taking many steps to the masjid and waiting for one salah after the other.

And Allah knows best
