

Q: 16 – Title: If one is given a talaq for the send time and it was given on the first day that her menstrual cycle began does that count for the first menstrual cycle during the idaat period.

Question

If one is given a talaq for the send time and it was given on the first day that her menstrual cycle began does that count for the first menstrual cycle during the idaat period.

Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatoh

The menses is which the talaq was issued will not be regarded as the first menstrual cycle of iddat. The divorcee will have to spend three menstrual cycles after that menses.

And Allah knows best
