Question

to gain the reward of fasting in the month of Shawwaal (6roza's) it has to be followed by the Roza's of Ramadhaan (entire month). what is the Mas'ala regarding females that are unable to keep Roza for the entire month of Ramadhaan? do they have to keep the missed Roza's of Ramadhaan first before keeping Roza's of Shawwaal or can they keep the Roza's of Shawwaal without keeping their Qaza's of Ramadhaan?

Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatoh

The fasts of Shawwal are mustahab. They mayt be kept at any time during the month of Shawwal. A woman who missed her fasts of Ramadan may make up (qaza) for them in Shawwal or anytime during the year besides the two Eids and the 11th, 12th and 13th of Zilhajj. She may keep the six fasts and then make up (qaza) for the fasts of Ramadan.

And Allah knows best
