Question
I am inuk in uk for qurbani cow is around $\mathfrak{L}600$ and indiia cow is for $\mathfrak{L}60$ can i do qurbni anywhere in the world
Answer
In the name of Allah, Most Gracious, Most Merciful
Assalaamu `alaykum waRahmatullahi Wabarakatoh
It is mustahab (preferable) for the one doing qurbani to sacrifice the animal with his own hands. If one is unable to do so, he should try and be present at the place where the sacrifice is being done.
It is mentioned in Hadith that Rasulullah (Sallallahu Alayhi Wasallam) said to Fatimah (RadiyAllahu Anha),"Be present in the place where your qurbani is done, for your past sins will be forgiven with each drop of blood of qurbani."
Rasulullah (Sallallahu Alayhi Wasallam) then clarified that this ruling is for all Muslims, not just the people of his household.
It is also mustahab for one to eat some from the qurbani meat and to have some of the meat as

the first meal on the day of Eid if possible.

One may have an animal slaughtered elsewhere on his behalf as well if he is unable to make qurbani himself.

Therefore, although the price of a cow is more expensive in the than it is in as you have stated in your query, one should make an all-out effort to try and make qurbani himself or at least be present at the place of sacrifice. In this way, one will benefit by gaining the full above mentioned reward InshaAllah.

If one is unable to do so, then it will be permissible to send money for an animal in and have it slaughtered on your behalf.
