Q: 74 – Title: Is eating prawns haalal or makroo
Question
Is eating prawns halaal or makroo
Answer
In the Name of Allah, the Most Gracious, the Most Merciful.
As-salamu `alaykum wa-rahmatullahi wa-barakatuh.
There is a difference of opinion pertaining to the permissibility of prawns. One group of Ulama hold the view that it is permissible while another group believe it is not permissible.
The reason for the difference stems from the categorization of prawns. Those who hold the view of the permissibility of prawns believe that prawns are fish. Others believes that prawns are not fish.
Amongst the Ulama who believe that prawns are fish are
a)Hazrath Maulana Ashraf Ali Thanwi <i>rahmatullahi 'alaihi</i>
b)Hazrath Mufti Abdur Raheem Lajpuri <i>rahmatullahi 'alaihi</i>

Is eating prawns haalal or makroo

1) Spine 2) Gill 3) Fins
These features are not found in prawns, hence prawns are not fish.
Hazrath Mufti Abdur Raheem Lajpuri <i>rahmatullahi 'alaihi</i> states that prawns have been referred to as fish. Hereunder are some references;
1) (1/460 0000000 0000) 0000 0000 000 00 (000000) 0000000
2) (4/332 00000 00000) 000000 000 000000
3) 000 000000 000000000 00000 00 000 000
Hazrath MI Ashraf Ali Thanwi (ra) says "there are no specific features of a samak(proven through valid evidence) in the absence of which, would discount it from being classified as a sa mak ."
There are two reliable opinions with respect to the issue of prawns. <i>Taqwa</i> would demand that a person refrains from eating prawns, though there is leeway in consuming it.

And Allah knows best.
