

Question 555) - What does the Hajj do after the Wuquf at al-Muzdalifah?

A; short While before sunrise he will head for Mina' When he reaches there he will pelt Jamratul 'Aqabah with 7 pebbles, such as the pebbles used in Hazaf [a game where a pebble is flung from the nail of the thumb]. He will recite each time he pelts, "In the Name of Allaah, Allaah is the greatest. For the pleasure of ar-Rahman, and to displease the Satan."

He will not hang about there after the pelting. He will end the Talbiyah with the throwing of the first pebble.
