

Question 1592) - Are there such words whereby the divorce will recur if the condition recurs?

A: Yes it recurs with kulluma [every time/whenever].

A: A man says, "Everytime you enter the house you are divorced." She enters the house and is divorced. she enters again and is divorced again. She enters again and is divorced again. Thereafter there is no divorce from this because there is no more than three divorce in Shari'ah.
