

The Method of Reciting the Qur'aan

Q: Ilm-22: Are more rewards earned by reciting the Qur'aan with its meaning or by just reciting it? How much more are the rewards for reciting it with the meaning? Is it necessary to recite the commentary also when reciting with meaning? Will the rewards be reduced if the commentary is not read?

Answer: Reading with understanding will undoubtedly earn more rewards and the more effort put into the understanding will earn that much more rewards. And Allaah knows best what is most correct.
