Question

My question regarding hajj:

1. If a woman used to loose hair continuously, what is the ruling regarding loosening hair in the state of ihram specially during ablution?
2. On 10th of Dhul-Hijja what is the sequence to perform stonning, sacrifice, shaving and Tawaf-e-Ziyara. Is it permissible to do the Tawaf first with Ihram?

Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatoh

- 1) If one scratches the head or beard and hair falls off unintentionally, then the person should pay some sadaqaqah. The person will not have to pay a damm.

- 2) On the 10th of Dhul Hijjah, stoning, sacrifice, and shaving must be done in order.

Tawaful-Ziyarah is not in the tarteeb (order). It is makruh to perform the tawaf before stoning. However, if it is done in that time there is no penalty upon the person. One may also perform the tawaf after stoning and before the sacrifice and shaving. If this is the case, the tawaf must be done in the state of ihram. If the stoning, sacrifice, and shaving have been completed, then one may perform the tawaf out of the state of ihram.
