

Performing salaah without Gargling after Eating

Q: Salaah-671 : A person proceeded for the Fajr salaah immediately after some Khameera. He then joined the salaah without gargling his mouth. Will the salaah be nullified if he could feel the sweetness in his throat while performing salaah?

Answer: If he only felt the sweetness without any of the khameera being in his mouth, the salaah will be valid without doubt and it will not be necessary to repeat it. And Allaah knows best what is most correct.
