

Reciting (DAHAAQ) instead of (DAHAAQ with small haa)

Q: Salaah-344: Will salaah be valid if a person recites (DAHAAQ) instead of (DAHAAQ With small haa)? will the salaah need to be repeated?

Answer: According to the principles, the recitation of (DAHAAQ with big haa) instead of (DAHAAQ with small ha) will nullify the salaah because the meaning changes. The salaah will therefore be invalid."
