

Not Eating before the Eid'salaah on the day of Eidul Adhaa

Q: Salaah-554: To whom does the injunction apply of not eating until after the Eid salaah on the day of Eidul Adhaa? Does it apply only to those slaughtering an animal or to everyone?

Answer: It is Mustahab for everyone whether they are slaughtering or not, not to eat or drink anything until after the Eid salaah. If one is slaughtering an animal at home, one should eat from the animal. It is Makrooh to eat anything before the Eid salaah without good reason. And Allaah knows best what is most correct.
