1)Is it permissible to make Qurbani with animals who's tails have been cut?

2)Is it permissible for a man to be alone in a car with his sister-in-law (brother's wife) if his mother is with them?

Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatuh

1. It is not permissible to make qurb?ni of animals that have more than one third of their tails cut off. If one third or less of the tail is cut off, it will be permissible to slaughter such animals. However, it is strongly encouraged to acquire animals with full tails. In many countries, due to health restrictions, it is difficult to acquire sheep with shar'? length tails. In such instances, one may consider slaughtering a goat or purchasing a share in cattle.

2. Yes, it is permissible for a man to be in a car with his mother and sister-in-law. However, to continuously do so is discouraged. Rasulullah (Sallall?hu alayhi wa sallam) has a stated in a Had?th that "the brother-in-law in death" (Sahih Bukh?ri).
