Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatuh

In the situation where one has already performed his/her Eid salah, and thereafter, travels to another place where they have not yet performed the Eid salah; he/she may perform the Eid salah there again with the intention of nafl.

You may offer qurbani wherever you wish; however, the qurbani must be done after the Eid salah of the place where the animal is to be slaughtered.
